Dear Sir / Ma'am,

Greetings from IOA !

As you are aware, the IOC conducted a call with Global Athlete Representatives this week. Kirsty Coventry, Chair of the IOC Athletes' Commission, summarised the call on Twitter: <https://twitter.com/KirstyCoventry/status/1240361504500785152>. The IOC has also shared a Video News Release for TV stations via its newsroom. You can find it here: <https://iocnewsroom.com/>. We would appreciate it, if your NSF could share this (together with the communique - attached / link here [IOC website](#)) with your athlete communities.

The IOC uses the Athlete365 platform as a dedicated platform to keep athletes updated with the latest information and resources from the IOC and

IOC Athletes' Commission. In this respect, the following dedicated page on Athlete365 is available for all resources and information for athletes related to Coronavirus <https://www.olympic.org/athlete365/coronavirus>. In the coming days, more resources will be added on this page in regards to advice on mental and physical health for athletes and will continue to be the central source from the IOC to keep athletes informed with the latest information and resources available to them. If you have any questions or feedback on these pages, please don't hesitate to contact us.

Thank you.

Kind regards,
Neha Maheshwari
