2. It has been seen that the nominations from some of the stakeholders is still awaited. In spite of the repeated reminders through all channels of communication to finalize the nomination process and registration of players on Khelo India portal, it is still not been completed. In some cases its due to delay in holding National competition by SGFI.

It may be noted that the no further nomination will be accepted and the entries will be allocated to next Stakeholder as per guideline. All the stake holders are requested to adhere to the above said deadline.

Warm Regards

Yours sincerely,
