Tokyo 2020 event programme and athlete quotas

Dear President, Dear Olegario,

The IOC Executive Board met today in Lausanne to finalise the event programme and athlete quotas of the Olympic Games Tokyo 2020. As you know, these considerations were based on the requests received from you, the research data collected at Rio 2016 at an event level and the recommendations received from the Olympic Programme Commission, which were reviewed in the context of the adoption of Olympic Agenda 2020.

The Olympic Charter mandates a framework of approximately 10,500 athletes and 310 events for the Olympic Games. In addition to providing a sustainable model for the hosting and organisation of the Games, the proposals of all IFs were reviewed in the context of innovation and youth appeal, overall gender equality, and respect of the overall approximate framework figures.

In this context, the IOC Executive Board has finalised the following Tokyo 2020 event programme for both events and athletes quotas in the sport of Shooting. The Executive Board was pleased with the overall proposal of the ISSF in its efforts to move towards gender balance, including the introduction of Mixed Team events, and congratulates you on this progress.

We would also like to already initiate and progress discussions with a view towards the evolution of the Shooting programme of the 2024 Olympic Games, subject to the decision in this regard at the forthcoming IOC Session in Lima.

We thank you for your continued partnership and look forward to ensuring the outstanding success of Shooting at Tokyo 2020.

Very best regards,
