69th NATIONAL SHOOTING CHAMPIONSHIP COMPETIONS IN SHOTGUN EVENTS (12th NOVEMBER to 12th DECEMBER 2026)

DR. KARNI SINGH SHOOTING RANGES

TRAP & SKEET FINAL GROUP ALLOCATION & FINALS SCHEDULE

In view of the large number of requests received for changes in group allocation, every effort has been made for the accommodation of these requests. However, due to capacity constraints and the maximum permissible number of participants in certain groups, it may not have been possible to accede to all requests for allocation in the group originally desired.

All requests have been duly considered, and every possible effort has been made to accommodate athletes, either in their requested groups or in alternative groups, subject to the availability of slots and the overall strength of each group. Some requests, however, may not have been accommodated.

The revised groupings are now FINAL, and no further requests for changes in group allocation will be entertained. All athletes are requested to carefully check and take note of their final group allocation.

IMPORTANT INSTRUCTIONS

1. Kindly check your names carefully in the revised group lists. If any athlete's name is missing, please inform us **on or before 10th November 2026** by email at admin@thenrai.org

2. Please verify that your allocated group is scheduled to participate before the Final of your respective category or, in categories where no Final is scheduled, before the Awarding Ceremony of that category**. It shall be the sole responsibility of the athlete to bring any discrepancy in this regard to the notice of NRAI by email at admin@thenrai.org, on or before 10th November 2026**.

3. In the event that an athlete fails to report such discrepancy within the stipulated deadline and participates in the group allocated to him/her, the athlete shall be deemed to have accepted the group allocation and all its consequences. If the allocated group is scheduled after the Final of the athlete's respective category has been conducted or, where no Final is scheduled, after the Awarding Ceremony of that category has been held, the athlete's score shall automatically be counted only in the category whose Final is yet to be conducted or whose Awarding Ceremony is yet to be held, as applicable. **The score shall not be counted or considered in the category whose Final has already been conducted or whose Awarding Ceremony has already been held.** The athlete shall not be entitled to claim any position, medal, award, prize, Renowned Shot status or any other recognition, benefit or entitlement, including but not limited to those mentioned above, in respect of the category for which the Final has already been conducted or the Awarding Ceremony has already been held.

4. These provisions shall be read in conjunction with **Para 5 – GROUPINGS, under the heading "Shooting in a Different Group", Clause (a)** of circular No. TRG/69NSCC/SHOTGUN/NS/1267/2026 dated October 16, 2026, and shall be final and binding on the athlete. **No subsequent request or objection in this regard shall be entertained.**
