

1. Norms for “Aspiring Shooter revised as under:

1. The norms which were fixed by the Governing Body of NRAI on 23rd July 2016 are revised as under for declaration of “Aspiring Shooter”:
 - a. The following norms / MQS will be effective from the 22/10/2019 i.e. applicable to the recognized competitions held on or after 22.10.2019.

Aspiring Shooters category was introduced vide the Notification of the Ministry of Home Affairs (MHA), Govt. of India, on the 6th of March, 2013. (On 4th August, 2014, MHA made modifications in this category, with respect to the certifying bodies only). As per the above Notification, recognized competitions for this category are; State Championship (held once in a year), all respective Zonal Championship, all National level competitions i.e. AIGVMSC and all such All India level Competitions, recognized by the NRAI; Competitions held on or after 06/03/2013 shall be considered by all certifying bodies for the purpose of arriving at the eligibility under this category. Scores (as mentioned in the charts within) of National Rule (NR) matches shall be considered for the issue of “Aspiring Category” certificates. No scores, older than 2 years from the date of competition under consideration for certification/recommendation, can be considered by any certifying body (applications for recommendation must be received by the certifying body, within 2 years of completion of the competition in consideration. The state associations to put up the scores of their State Championships (Recognised competition for the purpose of certification in this category) on their website and/or send the scores to the NRAI within seven days of completion of the competition, failing which such competition would be invalid for certification within this category.

- e. Air weapon events are broad based and maximum number of shooters are participating in these events; hence no grace marks have been afforded to shooters applying for Arms license on the basis of their performance in air weapon events.

2. Junior Shooters

- a. It has been noticed that many states do not have eligibility MQS for participation in their state championships and therefore it is

required that NRAI issues some guideline which must be followed by all the State Rifle Associations scrupulously. Following is the guideline which shall be followed by the certifying bodies for this category strictly.

- b. A junior shooter deemed to have participated in the official competitions as laid in Para 2 (d) of the MHA notification dated 4th August 2014 only if he has entered such competition after achieving the required MQS or has subsequently achieved the MQS in such competitions as laid down by the NRAI for this purpose. Scores for this purpose is the scores required to participate in the respective events of respective GVM by all the juniors of all three sections i.e. Rifle, Pistol and shotgun.
