## **ADVERTISEMENT FOR HIRING OF PROGRAM LEAD**

### **Role: Curriculum Development & Project Management**

National Rifle Association of India (NRAI) has an opportunity in the NRAI Education Program for a Curriculum Development & Project Manager who has experience in instructional design, curriculum development, Teaching and Program Management. This person will play a pivotal role in the Program, a new learning initiative launched by NRAI in 2022 to develop world class Indian Shooting Coaches and Judges.

### **ABOUT NATIONAL RIFLE ASSOCIATION OF INDIA:**

The National Rifle Association of India is affiliated to International Shooting Sport Federation, Asian Shooting Confederation, Commonwealth Shooting Federation, South Asian Shooting Confederation and Indian Olympic Association.

In India it has shown a steady progress and there has been remarkable rise since 1994. Our shooters have won many medals in International Competitions such as Olympic Games, World Championship, Commonwealth and Asian Games/Championship.

We have a network of 53 affiliated State Associations and Units. Regular competitions are being held at National, State, District and Club levels. Some of the Universities have recently given recognition to this sport. This will contribute in developing talent and encouraging the youth to take up Shooting as a career sport. We will then be able to pick up best talent from grass root level.

### **ABOUT NRAI EDUCATION PROGRAM:**

The goal of this program is to

1. Spread the base of shooting across the country
2. Empower Intermediate level coaches and officials to improve their knowledge and hone their skills
3. Support Elite coaches to support their athletes to win medals at the international level
4. Regularly update the knowledge and skills of Judges and Juries to promote fair competitions

The plan is to have a separate program to achieve each of the above mentioned goals.

## **ROLE:**

You will be the person in charge of preparing the strategy for program delivery, curating content and curriculum, and working with the operations team to ensure the successful delivery of the program

## **RESPONSIBILITIES:**

1. Conduct thorough research on existing elite level sport coaching programs
2. Design program delivery strategies and high-level curriculum design for all levels of NRAI programs
3. Design evaluation frameworks to measure program impact
4. Collaborate with Subject matter experts to design module plans, module collaterals such as PPTs, videos, reading documents and assessments
5. Periodically analyse program quality and make changes as and when necessary
6. Create robust support structures for learners to resolve issues and queries
7. Work closely with the Operations Team to execute a High-Quality Program.
8. Design tech solutions in the long term to scale the program

## **SKILLS& ABILITY:**

1. Excellent instructional design skills
2. Ability to facilitate meaningful learning experiences for different kinds of learners
3. Strong interpersonal and communication skills
4. Taking initiative, ownership of big projects and being a good team player
5. Good PPT designing skills, writing skills
6. A passion for sports and understanding of the Indian Sporting ecosystem
7. Ability to set long term targets and break up the work into small chunks

## **EXPERIENCE:**

1. 4-6 Years of work experience in the fields of Teaching / Training / Instructional Design
2. Proficient in English and Hindi(R/W/S)
3. Salary range 70k to 90k (depends upon experience)
