

12th LAKSHYA CUP

12th RR LAKSHYA CUP 2021 - Powered by RR Global

24-25 December 2021, Navi Mumbai.

I take great pleasure in inviting you for the **12th RR Lakshya Cup 2021** to be held on **24 & 25 Dec 2021**. Due to the disruption caused by COVID19 in the sports industry last year we deferred hosting of our 12th edition in 2020. We are ready to host the 12th RR Lakshya Cup with all CAB (COVID Appropriate Behaviour) measures in place.

As you are aware, Lakshya Cup has been conducted since 2008 and had been an intra-club affair. After the modernisation of our **Shooting Range** to a **fully electronic world class facility** in 2016, Lakshya Cup was opened up to the cream of Indian Air Rifle Shooting (TOP 20 national ranked shooters of the country) of the same year-end as the **All India TOP 20 Air Rifle Men-Women Invitational Lakshya Cup**....

India's Top 20 Air Rifle Shooters will slug it out at this Premier **Invitational Shooting Competition** organised by **Lakshya Shooting Club**, founded by me, **Suma Shirur** (Currently the **Chief Coach** of the Indian Rifle Shooting Jr. Team)

Lakshya Cup has been the very first of its kind in promoting **GENDER EQUALITY**. I had first mooted the idea that men and women should shoot equal number of shots in a match and since 2008, from the first Lakshya Cup days we have been following that. Only in Dec 2017 did the International Shooting Sport Federation (ISSF) adopt the equal shot rule for both men and women, in a way vindicating what Suma had been promoting strongly since 2008.

The 11th RR Lakshya Cup 2019 was a runaway success with Olympian **Aishwary Pratap Singh Tomar** of MP taking home the Lakshya Cup in the senior category. He also won the Tokyo Olympic Quota place for India in Air Rifle Men subsequently. Our past Cup holders have been **Olympian Divyansh Singh Panwar** (2018), **Deepak Kumar** (2017) & **Meghana Sajjanar** (2016). That shows the level of competition that Lakshya Cup sees every year.

The star-studded line-up of the 12th RR Lakshya Cup 2021 is going to see some tough competition for the coveted all Silver Rotating Cup, currently held by Aishwary Pratap Singh Tomar. Will it be you who is going to lift the Cup this year? Join the spectacle at Karnala Sports Academy's World Class shooting range in Navi Mumbai equipped with Megalink Electronic Targets.

I look forward to your support this year in a grander and more competitive 12th Lakshya Cup.

Thanking you in anticipation,

Truly

Olympic Finalist, World Record Holder, Arjuna Awardee

Currently the Chief Coach of the Indian Jr. Rifle Team
